EXPERIENCE

Winishtech it solutions pvt ltd | Janakpuri, New Delhi

Senior Software Engineer | January 2025 - June 2026

- **Architected and scaled** a dual-app React Native ecosystem for workforce management, implementing **Liveness Check facial recognition** and battery-optimized **background geolocation** for field executives.
- **Engineered a multi-tenant B2B SaaS platform** (CRM/HRMS), integrating **WhatsApp and Facebook APIs** to centralize omnichannel communication for enterprise tenants.
- **Reduced mobile app latency** by optimizing Redux state management and implementing **WebSocket** for real-time administrative dashboards.
- **Led a team of developers** through the full SDLC, enforcing **CI/CD pipelines** and automated testing (Jest)
- **Developed a Dental Practice Management System (PMS)**, automating end-to-end healthcare workflows from patient inquiry to clinical treatment and lab manufacturing.

Edulyte marketplace pvt Ltd

01/2022 – 01//2025 | Greater Noida

Software Developer | August 2022 – January 2025

- **Engineered a high-performance B2C E-Commerce platform** using **Next.js**, optimizing **Core Web Vitals** and SEO.
- **Developed an Enterprise Analytics Portal** featuring **Role-Based Access Control (RBAC)** and real-time data visualization for corporate business intelligence.
- **Architected a React Native Android application**, implementing **RESTful API** synchronization and intuitive UI design.
- **Facilitated cross-functional collaboration** with backend teams to integrate complex frontend architectures with scalable microservices.
- **Led code reviews** for a team of developers, enforcing high standards for maintainability, scalability.

Graduate Developer | Jan 2022 – August 2022

- **Developed and deployed** modular UI components using **JavaScript (ES6+)**, HTML5, and CSS3, ensuring 100% alignment with brand UX standards.
- **Optimized application stability** by identifying and resolving critical bugs during the initial launch phase of the core product.
- **Contributed to technical documentation** and version control workflows using **Git**, improving team onboarding efficiency.

EDUCATION

THDC-Institute of hydropower engineering and technology

2017 – 2021 | New Tehri

Bachelor of technology
